## Fun for 100 Neighbors at Spring Cheer

Thank you to everyone who attended our neighborhood's Spring Cheer event on Saturday, April 9. We had over 100 neighbors turn out for this introductory event. The day was beautiful, warm and sunny, with a lot of excitement in the air.

Spring Cheer was held at the Bachrodt playground park.

One neighbor relayed their child was so excited about the event, they taped the "Spring Cheer" flier to their headboard. They told their parent "I don't know what it is, but I'm really excited about it!" RGNA loves to hear about these very smart kids!

There were long-time and more recent neighbors all visiting in the park while their children were busy laughing, running and playing on the playground equipment. It was a perfect day to mingle and meet new neighbors.

It was wonderful to see a family's eyes light up as their child received an Easter bucket to begin collecting their treats. Each child had four stations to visit. There was a catch though: each child had to hop from station to station, like a bunny, to receive their treats. Examples of treats being given out were cute whistles, chips, bottled water, chocolate eggs, sheet paint projects and snacks to fill their bucket. By the time they arrived at their last station their buckets were completely full!

Thanks to all of our neighbors for participating, volunteering at the event and helping Rosemary Gardens Neighborhood Association build another successful event. We hope that everyone had a wonderful time. And to all of our neighbors unable to attend this year: we will hope to see you next year!
