## National Night Out

Another successful National Night Out is in the books! Neighbors who have lived in Rosemary Gardens for just a few months, as well as decades-long residents joined the fun on Tuesday August 2.

As has been the tradition, free ice cream, snacks and lemonade were provided by Rosemary Gardens Neighborhood Association. Fun and conversation ruled the evening. Children blew bubbles and played with hula hoops and drew chalk art while adults enjoyed corn hole and good old-fashioned chats with neighbors.

District 6 City Council member Dev Davis stopped by and handed out very cool flashlight pens. County of Santa Clara Board of Supervisors District 2 presented RGNA with a Commendation for participating in NNO. The surprise of the evening was a visit by San Jose Police Chief Anthony Mata!

See you next year!
